Willie Gunnells who has spent the season here has returned to his home in Cookville, Tenn.

Milton Campbell left Sunday for Wauchula where he has

accepted the position of executive vice president of the Wauchula State Bank. Mrs. Campbell and Margaret will join him there as soon as school is out.

Mrs. Mary Campbell of Plains, Georgia is visiting at the home of her son, Karl Campbell and family.

Mr. and Mrs. Luther Jones and son Luke spent the weekend in Safety Harbor, with she and Luke remaining there and in Tampa while Mrs. Jones went to Tallahassee on Monday. They all returned home Wednesday night.

McGHEE-ROBERTS WEDDING VOWS SPOKEN

The marriage of Miss Nettie McGhee to Edwin Roberts of West Palm Beach is announced by her mother, Mrs. A. L. McGhee of Cordale, Georgia. The ceremony took place on May 14 at 6:30 p.m. in Valdosta, Ga., with the Rev. Leonard Cochran of the Valdosta Methodist Church performing the service. Accompanying the couple were the bridegroom's two brothers, Eugene and Grant Roberts, and a friend, Luke Donhue, all of West Palm Beach, and students at the University of Florida.

For her wedding the bride wore a frock of printed silk with a corsage of pink rose buds, and white accessories. Mrs. Roberts is just completing her fourth year of teaching here at the local high school, and will join Mr. Roberts of West Palm Beach where they will make their home.

The couple spent Sunday with her mother in Cordale before returning here Monday.

McCard Opens Fine New Jewelry Store

On West Avenue A

C. L. McCard, recently leased the former O'Neil Ice Cream store building on West Avenue A, and has refitted and furnished it with a model retail jewelry store, which will be opened for business this Saturday. This store will be independent of the store he has operated here for the past three years.

Mr. McCard was formerly in business in Fitzgerald, Ga., and from there operated a chain of five stores in surrounding counties. Later he was sole jeweler in Atlanta, Ga., and after that sale, he came to Belle Glade to locate.

He owns a business block in Cleveland, which is soon to be entirely occupied by the Bamber Dress Shop.

Mr. McCard has hired an expert watch and jewelry repair man for the new store for that line of work.

Pahokee Dedicates New \$20,000 Swimming Pool, Tomorrow

The City of Pahokee has got one up on Belle Glade, in that it possesses a fine new swimming pool, which will be dedicated and opened for public use on Saturday afternoon, with becoming ceremonies.

The Pahokee Lions club has been in the background of the project, though its efforts and generous donations of citizens, the \$20,000 pool was made possible.

The pool is located in the west end of the city at the City Recreational park and is of regulation size, 75 feet, and meets all requirements of the State Board of Health.

did not like the manner in which the pit worked, or the way in which bugs took over during the cooking hour. He lodged his complaints with the lodge and now he has the job of rebuilding the pit and screening it of more, along his own ideas. Another Ladies night function is in the offering. They say "like the barbecue food, too."

As a matter of economy and handiness, on Trustees recommendations, and approval of the lodge, a new ice making machine and cold storage bin will be installed in connection with the club rooms, for cooling and preserving merchandise. A new power mowing machine was ordered purchased for lawn use; and a back obligation was ordered paid.

The Elks golfers of the district will again meet in a tournament in Lake Worth on Sunday, May 29th, being off at 10:30 a.m. Sunday prizes will be offered the winners in the 18 and 36 hole matches. A dinner will be served at the club house following the matches. Belle Glades will have an entrance group but a number of the best local players will be missing, owing to their out of town employment.

GOLDEN RAMS (Continued from page 1) The Rams of Lake Worth, which the latter won by a score of 1 to 0 being outstanding.

Belle Glade

East Palm Beach Road

OBSERVATIONS (Continued from Page 1)

School will be out for the pupils on June 3rd, but for the faculty the end comes on June 15th, they remain to clear up the end of the year work, and also do some outlying and planning for the work of next year. It is expected that most of the faculty members will be back again in the fall, as they have been reappointed for another year.

It looks as if Belle Glade were included to be "joiners," for the new Moose lodge starts off with a membership around the 150 mark, just a shade under the present membership of the Elk's lodge. The Moose lodge also now numbers around 150 membership mark. The Odd Fellows are slowly building up its membership into a working lodge. Each lodge has its own manner of working for the betterment of mankind, and the membership seem to get great pleasure and enjoyment out of the various sessions.

Now that the Catholic membership in Belle Glade have got started on their long desired and worked for chapel, we are expecting to see Mrs. Imogene Postone out there in overall and handling a pick and shovel and carpenter tools. No one woman has done more to collect in money that this church edifice could be erected, than just our own Imogene, and an orchid is surely due her.

For a period of years by parties, sales, suppers and other plans the St. Mary's Altar Society has been working to secure church funds, and it is to be congratulated on the approach in a successful manner of its goal.

The new chapel will not be

a large edifice, but of sufficient size to provide present needs for a place of worship. Its location is an excellent site on South Main Street just outside the city limits at the curve below Chamber's residence.

Local Catholics have attended the weekly services at St. Patrick's and Clewiston. The local parish will likely be under the pastorate of Father Beilly who serves the Pahokee and Clewiston congregations.

The Citizen, published at Gaultport, a suburb of St. Petersburg, went to town on covering the Lions State Convention, by getting out an illustrated eight page section. This issue was well illustrated and carried activity stories of many of the state clubs, including Belle Glade. This article also carried pictures of H. V. Dean, Emmet Roberts, R. E. Hottel, and Ed. Lively. The 1950 convention will be held in Pensacola. The South Florida District, which Dr. Ralph Hicks was Governor, made one of the outstanding reports of the convention. All over the state Lions clubs are promoting civic projects, which in value mass a large outlay of money. The swimming pool was cited as the Belle Glade club's main objective, with around \$8,000 of the \$40,000 secured to date.

Lessening of truck operation on our local highways is very noticeable, as the crop season comes to its end.

The City is building a new sidewalk along the north canal bank, west of the bridge. Will it be continued to reach the school grounds?

Cherry Brothers, local crop dusters are now engaged in doing crop dusting for the Campbell Soup Company, of Camden, New Jersey, in three sections of Pennsylvania, New Jersey and Delaware. They may later get to working in the New York state produce area.

Last fall in October, Robert Garrison, planted a crop of butter beans in his backyard. Now after nine months Bob says his vines are green as the Irish flag, and he is getting beans sufficient for his use, and new bloom and pods still filling the bushes.

Quite a number of candidates from the Glades, area the past weeks learned the mysteries of the Scottish Rite Consistory.

tory at Lake Worth, and had Shrine experiences at Miami. These reunions are always filled with more or less lasting fraternal remembrances, that carry a giggle or hearty laugh with them.

The Masonic order in Florida according to reports made at the last Grand Lodge session, now has a total of 298 lodges in the jurisdiction, with a membership of 45,288, a gain of 3589 for the past fiscal year. It now has a Home Endowment fund which exceeds \$200,000, but this sum on a campaign drive would be \$1,200,000 for a stated period. Lodge donated \$29,000 to Grand Master Hal Young's special hospital fund. During the year 17 jewels were given to 50 year Masons and 280 to those having been members for the past 25 years. President Harry S. Truman, once Grand Worshipful Master of the Grand Lodge of Missouri, was made an honorary member of the Florida Grand Lodge Andrew Jackson, provisional governor of Florida, later President, was also a President who had been Master of his Grand Lodge in Tennessee. An action approved by the Grand Lodge may mean that the DeMolay chapters will be taken under the supervising of this body, as the Eastern Star has the Rainbow Girls.

That was good engineering and financing. And when officials figured out a way in which new water main purchases did not need to be an exclusive as first expected. A saving of around \$3500.

Our City Commissioners took time and study enough to prepare an ordinance which sets up powers of the police department and its officers and the Municipal court, so that these officers and the city itself are fully protected from legal attacks and claims for damages growing out of the performance of their official duties.

Organizer Hudson, of the Moose lodge, made a visit to the police headquarters, cast his eye on the new uniforms of the force, and herded all of them in the Moose lodge fold. Now, that's something.

The fine new barracks which the State has erected at the Prison farm, for the housing of prisoners, will soon be ready for use. It will seem like transferring from a hovel to a palace for the prisoners. The barracks were built upon the old plans of prison engineering, and there are no other in the state superior not even at Raiford. There are new cottages for the employees are also pretty nice and cozy.

A law was passed by the Legislature which gives our sister corporation of South Bay, the right to change its date for municipal elections and for placing of extra taxes on certain types of merchandise sold in its local stores.

Got your vacation plans made? Going to be a whale of a lot of people moving over the highways this summer. Service station operators will be dealing out the gas with a vengeance. Hotels, motels, trailer camps, and eating places are looking forward to a rich harvest.

The dog population down in my neighborhood the past week increased by 11 puppies. Coach Cooke's Queen came along with a litter of 11; while Prof Davidson's hunting dog, "Peggy", became the mama of 10. Cooke says his dogs are of the mongrel type, as Queen was not choosy as to the size of her babies. Davidson's dog was bred to a high type hunting dog at Sebring, and he sees a good opportunity to get a good bird dog for himself to replace the aging Peggy.

The operators of Cuba and Bolito, which are said to be numerous in the Glades will not be so very happy over the pending action of the Legislature in "hobbling" their lucrative business. Heavy fines are placed for first violations, but heavier fines and imprisonment on the second and subsequent offenses.

That was real free will giving that the Methodist did at their Day of Daring banquet, when a total of \$45,000 in cash and subscriptions were made possible, just \$15,000 short of the desired \$60,000 goal.

Moore Haven Baptist Minister Accepts Call To N. Carolina Church

Rev. John A. Moore, popular pastor of the Moore Haven Baptist church, for the past four years, has notified his congregation that he has accepted a call to the pastorate of the Clarksville, N. C., Baptist church, and will assume duties there in June. Rev. Moore temporary gave

Montdesota Will Manage Seminole Indian Cattle Farm Reservations

Fred Montdesota, who has a wide acquaintance in Highland, DeSota, Palm Beach, Okaloosa, Hendry, and Glades counties among cattlemen, has accepted a new position as general manager of the Seminole Indian cattle reservations at Brighton and Immokalee, and will make his home in Moore Haven. The Brighton Seminole recently divided up their tribal cattle chateaus, among individual owners, to operate as their own. It is to supervising this work that he assumed new duties.

CHURCH FUND DRIVE
Continued from page 1
one, there will be no doubt but
what the Methodist congregation
will in time have its fine,
modern and commodious
church plant.

A fortunate selection was
made when "Spotty" Burr was
selected as the Master of Cer-
emony, for he carried things
along in a lively manner, in
song and short address. He
got the bunch into a "Ym. Happy"
condition. He first intro-
duced the members of the cam-
paign committees, and asked
for short addresses from Rev.
Leonard Vandewater, George
Royal, Vernie Boots, Hugh J.
Beatty before entering into the
main business of the evening,
which was raising money for
the church building program.
Rev. Laurey Ray, of Lake
Wales, a money raising special-
ist, was in charge of this task.
His talk was a good one, illus-
trated by well selected stories,
from which he made points
suitable to the business of the
evening.

However, it was apparent
that those who were present
were come prepared in their
minds what they could and
would donate to the project,
and when cards were signed
and a check made, the fine sum
of \$44,654 had been subscribed
or paid in cash, leaving around
\$15,000 to be secured.

When \$31,000 of the sub-
scribed funds are in the hands
of the treasurer, then the Build-
ing Committee, has authority
to go forward with actual con-
struction of the sanctuary and
educational building.

One of the large rooms in
the annex will be taken over by
the Tr-F Bible class, who will
finish and furnish it for its
home, and the use of other ac-
tivities of the church and school.
Back in 1934, at the original

American Legion hall, a mass
meeting was held at which the
present Community Methodist
church was formed, and steps
taken to erect the present church
structure. After the hur-
ricane of '28 and '29 church
services had been held in the
Legion hall. Of the group
which was present at that meet-
ing, and who were present at
the Day of Destiny banquet,
were the Kelder, Kidder, Bet-
zner and Hooker families.
Creech states that the proposed
new church is the third church
which has worked on two for the
Methodist and one for the Baptists.

The five day campaign staged
was for \$50,000, independent
of the 19,000, already in the
church building fund, so that
the reaching of that goal was a
larger project than many peo-
ple supposed, and makes the
at an \$80,000 mark.

Vernie Boots of the Building
committee states that building
will soon start, on the sanc-
tuary, four class rooms and a
spacious parlor. The new
church will be of Southern
Colonial architecture, with a
seating capacity of 360 in the nave
and 40 in the choir pews.

There was much happiness
and satisfaction among the
church fund soliciting groups
at the church Monday night,
when they met to make com-
pletion of the five day drive, be-
cause the drive had been fully
successful, as \$49,694 were the
figures announced.

This sum will be consid-
erably increased as all subscrip-
tion work has not been com-
pleted and returns turned into
the committee. Over subscrip-
tions will aid in the future if
any shrinkages should occur.

FIRE DEPARTMENT
(Continued from page 1)
ing were studied at these drills
and a refreshed course in first
aid work was taken under the
instruction of a Red Cross First
Aid Instructor.

One new truck was added to
the department equipment dur-
ing this time. This is a com-
mercial Chevrolet chassis with
a 500 GPM front mount pump,
a divided hose body capable of
carrying 1800 feet of 1 1/2 inch
hose. It also has a portable de-
luge nozzle mounted on an up-
per deck. This nozzle can be
operated from the truck as a
turret nozzle or set off in the
street. This truck was built from
the chassis up in the depart-
ment.

The department has also at-
tempted to burn off a number
of vacant lots in the city. It re-
move the hazard involved in the
lush growth of grass during the
dry season. This practice
had to be discontinued because
of dry weather and the danger
of much fire.

The loss suffered as the re-
sult of fire in the city during
this period is very low. This
will not be computed
until the end of the year.

One additional fireman was
added to the city payroll begin-
ning November 1st.

Two-way radio was added to
both the Police and Fire depart-
ments on December 20th and
the central or control station
is operated by the fireman on
duty.

Some improvements have
been made to the water dis-
tribution system of the city, re-
sulting in an improved water
flow for fire service in almost
all sections.

The extensive street repairs
and improvements are also ex-
pected to be an aid to the fire
department.

CINEMATIC CHATTER
By Malcolm Millar
Every so often one reads of
some screw-ball escapism his
body hatch and running a-
round the country. Word has
come that Red Skelton, known
to possess more loose nuts than
a fruit cake, has broken out
again and teamed up with
Brian Donley and lovely Ar-
lene Dahl and invaded the
Southland with a bundle of
tummy wrenching comedy un-
der the title "A Southern Yan-
kee."

The management of the Hugo
Theatre has agreed to enter-
tain this screwball for two days,
Sunday-Monday at the above
theatre, but they cannot risk
another day beyond these dates,
for fear that the foundations of
the building will be shaken out
of line with the roars of laugh-
ter that will greet every en-
trance of this prize nut.

According to the story to be
unreel: During the Civil War
a bell-boy in a St. Louis hotel,
recognizes a major as the fam-
ous spy known as the Grey
Spider. The major forces Aubrey
is mistaken for the Spider,
him, but he is accidentally
knocked unconscious and Aubrey
is mistaken for the Spider.
From then on the laughs grow
louder and more furious, as
scene after scene places Skelton
in predicaments that brings
roars of laughter from the cus-
tomers. I think you'll love it.
See you at the movies—Mal.

BIOGRAPHY OF CULLEY COLLINS
The business record of Culley Collins
has been a commendable one, reflecting
high credit and placing him in high
rank in the local furniture field during
the two years since he established Col-
lins Furniture Store here in April of
1947. Prior to entering the furniture
business seven years ago, Mr. Collins
was with the U. S. Department of Agri-
culture thirteen years.

Located at 258 Avenue A, Collins
Furniture Store carries a full line of
household furniture and furnishings,
a full line of appliances, including Philco products, Leonard
refrigerators and stoves, also oil and wood burning
stoves and bottled gas and natural gas stoves. This store has
the biggest display of merchandise in the Lake region, and
offered on the most liberal terms available in the area, as
typified by their slogan: "Visit Collins Furniture Store—
Where Your Credit is Good." Free delivery service is avail-
able anywhere in the Glades area. Most liberal allowances
are given on all trade-ins. Mr. Collins is Belle Glade dealer
for the famous Badcock line of furniture. He is ably assisted
by two well known young G.L.I.—Doss Tabb and Kenneth
Devericks.

Mr. Collins married Miss Barbara Gibbs of Wauchula
and they have two daughters—3-year-old Mary Inez and 2-year-
old Barbara Louise.

He is a member of the Merchants Association, the Country
Club of the Glades and the Methodist Church. Fraternally
he is an Elk.

Fishing and football are his favorite sports, but his hobby
is his lake home at Lake Placid.
